INDEX

CORRUGATED
REPLACEMENTS, INC.

Corrugated Replacements, Inc. provides high-precision and top-quality parts to the corrugated industry.

We offer a rapid delivery . Uptime is crucial to the volatile corrugated industry, and we know rapid delivery is an essential.

This catalog features our best-selling products. All of these products are available online at www.corrugatedparts.com. We also offer over 70,000 items in our active inventory. The majority of these items are produced in-house where we exercise direct quality control. If you need any assistance with a part, please call our friendly and helpful sales team at 1.800.969.0881.

Thank you for your business!

GEARS

Our gears are manufactured from alloy steel bar stock for precision and stability. The consistency between the gear teeth is obtained with the latest technology CNC machining. We provide iron nitriding hardness which enables the gears to withstand severe shock and provides extended life for each part. We also offer keyless ring feeder locking devices on our gears which eliminates the need for keys.

MACHINES THAT WE CARRY PARTS FOR
